SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, May 18th, there being present Wm. H. Brown presiding, Jas. T. Casey, John MacBain and D. E. Blackburn.

Archer Kincaid presented a petition, signed by a large number of residents protesting against the removal of the county jail from its present location to the residence district near the courthouse.

In an address to the board Mr. Kincaid suggested that if a change is desired it be to the business district of the city and that a building be erected that would also serve as a hall of justice. The jail so located would not be offensive.

Judge Fitzpatrick also spoke in support of the petition and agreed that there could be no objection to erecting a building in the central portion of the city which could also serve as a hall of justice.

H. W. Schaberg also spoke in support of the petition.

J. F. Ford addressed the board and offered for its consideration as a suitable jail site all of block six, distant two blocks from the courthouse.

It was ordered, on the suggestion of MacBain, that the matter be postponed until the next meeting, May 25th.

Tax Collector McSweeney reported the total tax collections to date as \$179,565.08, which amount had been paid to the treasurer.

M. F. Brown, chief of the motorcycle squad, reported as follows: Officer Lowman worked fourteen days, no arrests.

Officer Brown worked fourteen days, one arrest, four cases pending.

Officer Logan worked fourteen days, one arrest, one case pending.

Officer Vallejo worked twelve and one-half days, no arrests.

A communication was received from the San Francisco Chamber of Commerce suggesting that the county burial ordinance be so amended as to exempt from tax those bodies that are being removed from San Francisco to this county. The communication was referred to the District Attorney.

A communication was received from the S. N. Mateo County Center, protesting against the issuance of a liquor license to a certain proposed roadhouse at Millbrae.

The communication was accepted and filed for future reference.

Manuel J. Martin of South San Francisco petitioned the board for aid, representing that he was unable to earn a livelihood. He was granted the usual allowance of \$8 per month on motion of Casey, seconded by Blackburn.

The following resolution authorizing the purchase of \$125,000 worth of State Highway bonds was introduced by MacBain and adopted on his motion, seconded by Casey.

Blackburn voting in the negative: "Whereas, the State Highway Commission of the State of California, has through E. D. Roberts State Treasurer of said State, offered to the County of San Mateo certain State Highway bonds in the sum of one hundred twenty-five thousand (\$125,000.00) dollars at par, the serial numbers of said bonds being from 9275 to 9400 inclusive with the maturities of the year 1910, and

"Whereas, the proceeds of said bonds are to be used in the construction of the main county highway known as El Camino Real through said County of San Mateo, and

"Whereas, this Board of Supervisors is desirous of encouraging the immediate completion of said road:

"Be it therefore resolved, that this Board invest one hundred twenty-five thousand (\$125,000.00) dollars of the surplus funds of said county in the purchase of said bonds at par.

"Be it ordered that P. P. Chamberlain, treasurer of said County of San Mateo, be and he is hereby authorized to purchase said bonds."

It was explained that by purchasing the bonds at par and selling them below par, as will be necessary, the county will lose about \$3000 which is considered a wise expenditure since it will bring about the completion of the State Highway through the county.

The clerk proceeded to open bids for the purchase of the Montana school district bonds.

But one bid was received, that of G. G. Blymyre, which firm offered a premium of \$7.50 for the bond issue of \$3000 recently voted by that district. The bid was accepted on motion of Blackburn, seconded by Casey.

For the Burlingame school district's bond issue of \$26,000 the following bids were received: Torrance-Marshall Company, \$91.

Byrne & McDonald, \$140.

Wm. R. Staats, \$55.

On motion of Blackburn, seconded by Casey, the bonds were sold to Byrne & McDonald, they being the highest and best bidder.

County Surveyor Neuman reported on the clerks under the fill near Montana Highhouse, stating that he had taken the matter up with the Ocean Shore Railroad Co., asking them to provide better facilities for drainage and presented a letter

RUN-DOWN WOMEN

Find Health in a Simple Tonic

How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and debilitated.

Women are so active nowadays, and so much is expected of them, that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.

Such women need Vinol, our delicious cod liver and iron tonic without oil which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. Walter Price, Biloxi, Miss., says: "I was in a run-down condition for months. I had taken several medicines but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I began to improve until I am strong and well as ever."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

P. S.—For pimples and blotches try our Saxo Salve. We guarantee it.

stating that they could not better the drainage facilities for the present. Whereon the Board of Supervisors ordered the County Surveyor to extend the present pipes under the fill of the County road and let it go for the present.

Mr. Neuman reported that he had taken up the matter of paving the crossings at San Bruno with the United Railroads and the Southern Pacific railroad company and had received a letter from the United Railroads stating that they would conform with our work just as soon as our contractor had finished the work up to their tracks. A letter was also received from the Southern Pacific railroad company, which stated that work was being done under a bond issue on which they were paying a portion of the taxes. They felt that the county should do the work. On motion the matter was referred to District Attorney Swart.

A warrant drawn on the County Treasurer in favor of C. Malerbi was ordered cancelled upon the request of County Surveyor Neuman, the matter having been adjusted for a smaller amount than allowed by the warrant. This was paid by the County Surveyor for right of way and put in as expense.

Casey reported the death of a well known resident of San Bruno who had left his family in destitute circumstances. He recommended that aid be extended to them. On his motion, seconded by MacBain, it was ordered that the family be paid \$25 monthly.

MacBain was authorized to change the specifications in the Middlefield road now being built by the Federal Construction Company, the change being acceptable to the contractors. The added cost, \$1500, will be a charge against the district.

Resolutions were adopted confirming the sale of the bonds of the Burlingame and Montara school districts.

Adjourned to Monday, May 25th.

HALFMOON BAY NOTES.

People from all parts of the state gathered here yesterday to pay their last respects to the late Joseph Debenedetti who died last Monday. All the county officers were present at the funeral. The hour for the funeral was set for 9:30 o'clock, but long before that time the Catholic church was crowded with friends of the deceased. A solemn requiem mass was celebrated for the repose of the soul of the dead pioneer. The floral tributes were very numerous. Two truck loads were sent from San Francisco friends. The funeral cortege was the longest ever seen in Halfmoon Bay, it being full a half mile long. Interment was in the Halfmoon Bay cemetery.

During the early days he settled on the coastside at Halfmoon Bay. From the beginning he was a speculating merchant and was successful at once. He married Theresa, the daughter of George Scarpa, and she has been his loyal partner to the end. Together they raised a large family, all of whom are prominent in the county. The deceased was gifted with unusual intelligence, being a wonderful judge of human nature. As a consequence he naturally drifted into politics and from 1884 until 1908, he actually controlled public affairs in the Fourth township. He was the supervisor for twelve years and school trustee for a long time. His policy was to do things and to make new friends every day. He was quick to take notice of every bright boy and girl. He liked to have them around him. Many loyal friends loved to honor him with the victories he sought.

He was the promoter of many enterprises, and not all of them were successful, but he never failed to do his best. He was easily the leading character of Halfmoon Bay during his generation. Many years will go by ere his standing in the community is equalled.

Mr. Debenedetti is survived by his wife and his sons, John L. George A., William J. and Henry E., and daughters, Irene, Mrs. J. P. Micheli and Mrs. J. M. Francis. He was a native of Genoa, Italy, aged 65 years and one month.

Ben Cunha is making good progress with the erection of his new building at the intersection of Main and Miramonte streets, Halfmoon Bay. Plans for the building call for a complete theater, with stage and accessories, so arranged that it may be used either at a moving picture house or for the production of theatrical performances.

The grammar school trustees of Halfmoon Bay district have organized and the election of Joe Rue as clerk.

A. Lubke, a resident of Miramar, recently suffered a severe stroke of paralysis and is in a serious condition.

Mrs. Schubert of Halfmoon Bay, who suffered from an attack of diphtheria poisoning recently, has entirely recovered her health.

Miss Rose Broggi has returned from an extended trip to Los Angeles. She enjoyed her visit to the southland but after all she thinks there is no place like Menlo Park.

John MacBain has been awarded a contract to erect a garage at Easton for Frederick Kohl. The stipulated price of the contract is \$17,000. When completed it will be one of the most up-to-date of any in the peninsula.

The L'Allegre Club will give a dance in the Hall of the Nativity on Thursday evening, May 28. As all the events given under the auspices of this club are well attended, the one on the 28th will be no exception to the rule. Good music and an excellent time are assured all.

Mr. St. Clair, an expert grower from England, has been selected to take charge of the orchid greenhouses for J. B. Coryell. The collection is the best in the country. Mr. St. Clair has had wide experience in the growing of this delicate flower and is considered an expert.

The "Federals," a strong aggregation of base ball players from San Francisco, will play the Menlo team on the local diamond tomorrow afternoon. McCollough brothers, formerly of Menlo Park, will play with the visiting team. The fans are manifesting much interest in the contest.

Eight of the fourteen graduates of the Sequoia Union high school at Redwood City this year are residents of Menlo Park. This speaks well for the parents of this locality who have made sacrifices to give their children the benefit of a higher education. The commencement exercises will take place on next Friday evening.

Professor Clark, Arthur Midgley, and Duncan Reynard made a week-end fishing trip to the headwaters of the Pescadero creek last Saturday. They made a libidinous return with basket-loads of the speckled beauties. They report the roads as being in excellent condition. A wildcat prowling around camp on Saturday night, caused no little fear and the boys were glad to see Menlo again.

The annual bazaar of Trinity Episcopal church will take place on the lawn of E. W. Hopkins on Saturday, June 13. An attractive program has been arranged by the ladies of the church. Fancy articles of every description will be offered for sale. Every amusement is provided for the children. In the evening a dance is to take place in the James L. Florio garage. This event will be one of the gayest of the season.

For the fourth time in four years the local postoffice was robbed Monday night. When Howard Crane arrived at the office Tuesday morning he discovered that burglars had gained an entrance through the rear door and blown open the safe. He at once notified the postoffice authorities of the theft. The safe was drilled and charged with nitro-glycerine and exploded by means of a battery, the safe being covered with a big roll of blankets and canvas to deaden the sound.

A search has been made for the owner of the blankets but no one appears to claim them. It is hardly possible that the burglar brought them with him. The robber secured about \$50 in stamps and some registered mail. Mr. Crane will suffer a loss of \$95, the cost of a new safe installed in the office shortly after his appointment last January. It has been the custom of the postmaster to remove all coin and stamps each evening.

A. C. Bassett, a former resident of this place for many years, passed away at his home in San Francisco Thursday evening of last week. A short time ago he was stricken with a paralytic stroke and sank rapidly. Mr. Bassett in his younger years was a prominent railroad man, having worked his way from a telegraph operator to superintendent of the coast division of the Southern Pacific Company, a position he held for many years and until he resigned to become associated in the lumber business with Timothy Hopkins and others. It is said of him that he was the most efficient superintendent the company ever had. The deceased resided here until a few years ago when his wife died, and he took up his residence in the city with his daughter, Amy Bassett. He was a man of high ideals, honest in his dealings and a man of more than ordinary ability.

He is survived by his daughter and son, Harvey, and a grand daughter, the child of Mr. and Mrs. Harvey Bassett, recently born.

War and rumors of war have held the country in suspense now for some time past. But the seat of war is distant

and the rumors have produced but a mild excitement. It is different, however, when warlike preparations are brought to our very doors. The latest dispatches to the Associated Press of the peninsula are to the effect that invasion threatens the whole peninsula. The impending danger is not from any occupation by Mexicans in retaliation for the capture of Vera Cruz, nor yet from the British fleet in an effort to enforce repeal of free canal tolls. It threatens from much nearer home. Persistent rumor has it that a tribe known as the "Kayeys," on one of the northern Indian reservations, for some weeks past has been in a condition of active war preparation. It is reported that their plan of campaign is directed against the peninsula, and Menlo Park is their objective point. In fact, it is known they expect to capture the little town on Saturday, the 6th day of June. They will camp opposite the Catholic church and on that evening hold their big war-dance and pow-wow in the Hall of the Nativity. "Kayeys," the Indian name of the tribe, in English means Kennedy Indians. The name will bring terror to the hearts of all "glooms." The last invasion of this tribe is still fresh in the memory of even the youngest in Menlo Park. It will be recalled how irresistible was their onslaught on the opposing forces of dull care and monotonous routine, and in their departure they carried away, according to their barbaric custom, the heart of every man, woman and child in the village.

After a long and painful illness W. P. Glynn passed away early yesterday morning, surrounded by the members of his family. His death was expected as it was known for some time he could not survive. He had been a sufferer from liver trouble for the past two years and despite the fact that the best medical assistance possible was secured, he succumbed to the malady. For over six months he had been confined to his room, attended by two professional nurses and his devoted wife who was constantly at his bedside administering to his every want. Mr. Glynn was a native of Ireland, aged 45 years. For twenty years he had been a resident of California, eighteen of which he had been connected with the Hibernia Bank, being a relative of the institution's late president, Robert Tobin. For over seventeen years he had been receiving tetter and during that time every dollar passing through his hands was accounted for. He was held in the very highest esteem by the officers of the bank, Mr. Glynn and his family have been residents of Menlo Park for the past four years and during that time made friends of everyone in the community.

Death is sad at all times, and under all circumstances, but when it comes to a family of young children and removes an affectionate father it is all the more so. Mr. Glynn's life was a most exemplary one, one that could be well emulated by others. He was the idol of his home, a favorite of the community and a true, sincere Christian. When one turns to look on those who much profess to live a life—live for themselves alone—how noble and sublime, his true, unselfish life appears. He loved his wife and little ones, to whom he devoted his very being, it was hard for him to part with those he cherished, but there is an all wise being who regulates these things.

Let us be patient! These severe afflictions. Not from the ground arise. But from the heart. Assume this hard disguise.

The afflicted wife and five little boys, the oldest being only 11 years, and the youngest two, have the sincere sympathy of everyone in their grief and bereavement. There is however a higher source of comfort than mere human sympathy, a resource in which they may find consolation in their affliction. The funeral will take place next Monday from the family residence on Santa Cruz avenue, thence to the Catholic church where a solemn requiem high mass will be celebrated at 10 o'clock. Interment will be in Santa Clara by automobile.

Entertain Old Time Friends
Last Friday Mrs. Jas. W. McDill and Mrs. W. H. Kelso received a very pleasant visit from their old-time friends and neighbors Judge and Mrs. Jerry Sullivan, Mr. and Mrs. McQuaid, and Mrs. Bynum, former residents of Creston, Iowa. Judge Sullivan was formerly the junior partner in the firm of McDill & Sullivan, prominent attorneys of Creston. The Judge has recently been appointed president of the Board of Appraisers, with headquarters in New York City. The different members of the board hold court at the different custom houses and adjust claims in the business of importing and exporting. Judge Sullivan has held court in Los Angeles, San Francisco, and is now in Portland, from where he goes to Seattle, Spokane and Chicago, and back to New York. The party motored down from San Francisco in Mr. McQuaid's handsome car, and after dinner with the Kelsoes took Mrs. Kelso with them for a visit to Stanford University. The visit was very much enjoyed by all the parties, as they had not seen one another for a number of years. They expressed themselves as being very much charmed with Redwood and vicinity and hope to make a longer visit in the near future. The McQuaids have returned to their big fruit farm at Vacaville, where they spend a portion of the year, their home being in Los Angeles.
